

PERISHABLES FRESH & FROZEN PRODUCE

PORT OF Bilbao

SERVICES AND FACILITIES ADAPTED TO THE
FRESH PRODUCE

Every year more than 190 million kilograms of fresh and frozen products pass through the PORT OF BILBAO facilities.

The PORT OF BILBAO is recognized by the European Commission as an authorized port for the introduction of vegetables and animal products coming from third countries.

State of the art facilities, for health and phytosanitary inspections, allow the entry of products into the European market following all requirements and specifications, as well as its load / unload, warehousing or handling into the port.
